SAVE THE FROGS!

Frogs are rapidly going extinct worldwide, and thousands of species are on the verge of extinction. SAVE THE FROGS! is an international team of scientists, educators, policymakers and naturalists dedicated to protecting the world's amphibian species. Our mission is to protect amphibian populations and to promote a society that respects and appreciates nature and wildlife. Your financial support will help us SAVE THE FROGS!

"And what is there to life if a man cannot hear the lonely cry of a whippoorwill or the arguments of the frogs around a pond at night?"

— Chief Seattle, 1854

"When we save the frogs, we're protecting all our wildlife, all our ecosystems and all humans."

— SAVE THE FROGS! Founder
